

Introducing the Sark Sanctuary Centre: Important Information

This extension to Sark Methodist Church was completed in March 2017 and consists of a hall, kitchen, several multipurpose rooms, and toilets. There is Wi-Fi throughout and multimedia facilities in the chapel, hall and two upstairs rooms. Please note that as Methodist premises, no alcohol is allowed on the premises. There are views across the island to the east and over the neighbouring islands of Brecqhou & Guernsey to the west. It is conveniently located for access to the western headland, Little Sark and the centre of the island, with the north and east coasts relatively near too. There is a small shop nearby the Centre.

We believe God is interested in the holistic nature of life and as many economies are struggling we made a conscious decision not to replicate anything that can be found on the island. As the island is 3.5 miles long and 1.5 miles wide, proximity is not really a problem. Therefore, we are working with local businesses to provide accommodation and restaurants to provide meals. This also gives you more opportunity to experience more of what Sark can offer.

Please visit <http://www.sark.co.uk/where-to-stay/>, where you can find accommodation providers with a range of properties available. Why not extend your stay with an additional night or two before and after the retreat to enjoy more of this unique island? Some providers give a discount if you stay longer than two nights. Please book and pay direct with the proprietor, mentioning you are coming on retreat to the Sanctuary Centre.

We will be making use of restaurants on the island for evening meals on Wednesday, Thursday and Friday and then for lunch on Saturday. You will be able to make your selection from their menus and pay locally for what you eat and drink. For lunchtimes, you will be able to pre order a packed lunch at a cost of approximately £6 provided by the local shop.

Please make sure you bring enough cash as there are NO cash machines on the island, although credit and debit cards are widely accepted.

Do visit the tourism website to find out about travel to the island and to find out more about our beautiful island <http://www.sark.co.uk/>
