SCHOOLS' WORK VACANCY

We have an upcoming vacancy within PACE for the position of Schools' Worker.

If you have experience working with children or youth, are creative and confident, and passionate about the Bible and its relevance to young people, you could become an important part of our schools' work team.

You would work alongside other dedicated members of the PACE team to deliver faith-based assemblies, clubs and R.E. lessons, sharing Christian beliefs and values and 'bringing the Bible to life' in Guernsey schools.

The position is part-time (approx. 12 hours per week, negotiable) and mostly during term-time. Work is generally during school hours, Monday to Friday, with occasional Sunday work.

Full police DBS checks are needed prior to working in schools. If successful, you would need to present your portable DBS certificate or undergo a new check.

For further information and an application form please call Sarah Snell on **07781 122402** or email **hellopace@paceguernsey.com** with your details.
